ADOPT A POLE / BANNER PROGRAM

New street lights are being installed throughout the downtown area. In all 54 new decorative lights will be placed in this area. As part of the on-going revitalization program street banners will be placed on these poles and several banners will be rotated throughout the year. The town has established this program to allow businesses, organizations and individuals the opportunity to participate in this exciting new effort.

The current plan is to have a minimum of three (3) banners for each pole and an American flag set (flag and pole) for each new street light pole. The Christmas banners have been ordered and will be displayed from mid-November to mid-January each year. In addition, plans are to purchase seasonal banners for winter, a summer patriotic display, and a specialty banner. By participating in this program we will give you one banner that will display your business or organizations name for a period of up to three months twice each year on one of the poles.

Levels of participation include:

Sponsorship of a Pole

Sponsoring a Pole includes a minimum of three (3) banners (Christmas, Winter, Summer Patriot and a Specialty) along with the American flag and pole. The Specialty banner will have a special attachment that will have your business or organization name recognized.

| | |
|--------------------------------------|-------|
| Downtown Business or Organization | \$350 |
| In Town Business or Organization | \$400 |
| Out of Town Business or Organization | \$450 |

Sponsoring a Banner

Sponsoring a Banner will help go towards purchasing one of the minimum of three (3) banners (Christmas, Winter, Summer Patriot and a Specialty) along with the American flag and pole. Your business or organization or individual name will not be recognized.

| | |
|--------------------------------------|-------|
| Downtown Business or Organization | \$ 75 |
| In Town Business or Organization | \$ 85 |
| Out of Town Business or Organization | \$100 |

We appreciate your support in helping provide banners for our new revitalized downtown.
